Have you ever thought what a
delightful CHRISTMAS
PRESENT a pair of Modern

Eighty per cent of people
over forty years of age are
troubled with failing vision.

HOCKEY AGAIN MAYOR

Fierce Civic Battle in Toronto Re-
sults in His Re-Election.

Mayor Graham of London is Also
Running for Public Ownership—
London, Ont. Strongly Pro-Social
City Cares to Win in Toronto—
Mayor Graham to Win.

TORONTO, Jan. 2.—By a majority
of nearly 5,000, voters Toronto re-
elected William H. H. Graham, may-
or, by the large vote polled by F. O.
McIntyre, his 17-year-old opponent,
shows that there is strong opposition
to the city to the proposed purchase
of the street railways system from
the Mackenzie and Mackenzie In-
terests. The vote was 17,171 for
Graham, 16,441.

The another feature of Toronto's cam-
paign was the vote registered for
the cause of woman's suffrage. A
question put before the electors asked
if they favored the extension of
the municipal franchise to the women,
who were otherwise qualified, was
decided by a vote of 17,171 for
Graham, 16,441.

The city enter the dead heat race
with a vote of 17,171 for Graham,
16,441 for McIntyre, and 16,441 for
Graham, 16,441.

The another feature of the election was
the significant part played by the
labor element. In the case of Graham,
headed the poll for Board of Control.

A SHIP-BUILDING PLANT FOR B. C.

Head of Scottish Firm Believes Industry Will in Time Take Care of Itself.

VICTORIA, B.C., Jan. 2.—A. F. Yarrow, head of the great shipbuilding firm bearing his name, and operating on the banks of the Clyde, Scotland, has bought out the British Columbia Marine Company and intends to establish a branch of his world-famous yards at Esquimalt.

Mr. Yarrow said that the fact that the location of the Government dry dock at Lang's Cove had been largely instrumental in deciding him to establish at Koyukmuktuk, although he believed the point was the best on the coast for the purpose of shipbuilding combined with repair work.

Destroyers and torpedo boats are the specialties of the Yarrow concern in the old country, and Mr. Yarrow says that should the Government of Canada be desirous of building a navy at any time and receive an offer from him to construct vessels of the type mentioned at a reasonable cost, he does not believe they will have to resort to Europe.

MAN FOUND DEAD BEFORE GAS STOVE

The dead man lived with his brother, Matthew, and was left alone on Wednesday night when his brother went to a watch night service. A neighbor, Edward Butler, growing some time later, smelled gas and finding the doors locked and getting no response to his knock.

The two painted entrances by means of a window. They found Dougall lying on the kitchen floor in front of the gas

full. A chair stood in front of the stove and judging from the position of the body, the dead man had evidently been sitting on this until he became unconscious and fell to the floor.

Municipal Bonds

CLEAR THINKING IS NEEDED. The town which depends upon farming for its existence is the most vulnerable of all towns.

When a man has any sort of back in the next few years it will most affect those who are engaged in the business of supplying for constructive enterprises.

Constructive enterprises may be affected by the fact that their money cannot affect the crop.

The farms should produce as much as ever and farming towns will not be adversely affected by any "drying up" in Canadian wheat. Without a doubt, wheat will be paid in those years.

We have for sale good quality tanning tools to build the leather.

Similar bonds in normal times have sold in value from 95 to 98%. There is every reason to believe that they will enhance in value considerably.

PRACTISING A JOKE

Some person, who evidently considered it a joke, last evening took along from the front of a grocery store on Front street, a gum machine and placed it in a gateway, where it was subsequently found by the police. It is believed the party will find out it was not a joking matter.

YEAR 1914 SINCLAIR'S STORE IS A YOUR SERVICE!

In wishing the many Patrons of our Store A HAPPY AND PROSPEROUS NEW YEAR, we would in this our first advertisement of the year, express our appreciation of the ever increasing patronage that it has been our good fortune to enjoy during the past year. DERMOT'S BEST MAN

Why He Came to America After a Wedding That Happened Long Ago.

By FRANK FILLON.

Father O'Brien gave on a big night had visited my mother in the States. I was a little boy then, and I remember the father all the while. I was a little boy then, and I remember the father all the while. I was a little boy then, and I remember the father all the while.

Some people said it was a shame to bring a man to a wedding who had been married before. But I didn't care. I was a little boy then, and I remember the father all the while. I was a little boy then, and I remember the father all the while.

My mother said it was a shame to bring a man to a wedding who had been married before. But I didn't care. I was a little boy then, and I remember the father all the while. I was a little boy then, and I remember the father all the while.

Ruskin said that, "Unto This Last" was his work which would stand longer and the record of the book has shown his words true. The first edition, (1860) was 1,000 copies, and by 1870 it was exhausted. By 1904 more than 50,000 copies had been sold, and during the next seven years more copies were disposed of than during the previous forty-two years. In Planning for Elderly People

Have you ever thought what a delightful CHRISTMAS PRESENT a pair of Modern Spectacles or Eye Glasses would make?

Eighty per cent of people over forty years of age are troubled with failing vision. A pair of glasses properly fitted would be a source of constant pleasure and comfort, the gift can be a surprise, and yet have their eyes properly tested.

OUR PRESENT TAX SYSTEMS

**By Mr. J. R. Brown, President of the
Canadian Club Lecture Series in Kingston.**

THE CANADIAN CLUB LECTURE SERIES IN KINGSTON.

FRANK, AND MR. J. R. BROWN, President of the Canadian Club, is giving a lecture on the present tax system.

MONTREAL, Jan. 20.—The present tax system is a very complicated one. It is a system that is based on the principle of the "tax on the tax."

"The power of taxation," said Mr. Brown, "is the most potent for good or evil that any government can exercise. The proper policy of taxation means all the difference between progress and retrogression, between justice and injustice. The method which would be the most equitable, the most just, for the country and the nation, is the one that is the most equitable, the most just, for the country and the nation."

A Plain Business Proposition
 Can you afford to go on suffering from biliousness, sleeplessness, heart flutter, and various other troubles so often brought on by the coffee drinking Postum? **Postum**
 Thousands have quit tea and coffee and are using Postum and to their great relief the annoying troubles have quickly disappeared. Not only that, but they find Postum a delightful beverage, with a rich, nutty flavor, distinctively its own.
 Postum, unlike tea and coffee, contains no caffeine or other drug. Made only from clean hard wheat, with a small per cent of New Orleans molasses, it is a pure, wholesome food-drink which can be freely enjoyed with benefit by all the family.
 Postum now comes in two forms:
 Regular Postum—must be boiled 15 to 20 minutes.
 Instant Postum—is a soluble powder, a scant teaspoonful to each cup of hot water does the trick.
 The convenience of Instant Postum is apparent. But when prepared according to directions both kinds are exactly the same. The cost per cup is about the same.
 Grocers everywhere sell both kinds.

A Plain Business Proposition
 Can you afford to go on suffering from biliousness, sleeplessness, heart flutter, and various other troubles so often brought on by the coffee drinking Postum? **Postum**
 Thousands have quit tea and coffee and are using Postum and to their great relief the annoying troubles have quickly disappeared. Not only that, but they find Postum a delightful beverage, with a rich, nutty flavor, distinctively its own.
 Postum, unlike tea and coffee, contains no caffeine or other drug. Made only from clean hard wheat, with a small per cent of New Orleans molasses, it is a pure, wholesome food-drink which can be freely enjoyed with benefit by all the family.
